

Dear Laureate Park Residents,

We are pleased to announce that on Tuesday, January 24th, work will begin on refurbishing the shell path. Phase 4 is where the vendor will begin, and it should take around a week to complete this first section. The vendor will operate between 7:30 a.m. and 5:30 p.m.

Please refer to the map below for specific location. The shell path can be seen as an orange line outlining the community.

This schedule is subject to change due to unforeseen circumstances and/or weather conditions. As this project advances, the HOA will keep the community updated.

We appreciate everyone's patience during this time. Please do not use the shell path when work is being done in a particular area. If you have any questions, please contact the HOA office at 407-705-2190 x266 or at laureatepark@artemislifestyles.com.
